

Camp Uzel Mass. Sept 2. 1862

Miss Deborah Weston:

I inform you that I arrived in Camp last Sunday evening. The Dr. was very kind to carry me over so far. I was in Camp at seven o'clock and found every thing well... We expect to start to day for Washington, but I think we will not be able, to get away till to morrow. Our Horses are coming out from Boston this Evening. 24 Men are detailed to go with them, I have no news to give you this time, but the next letter you get from me will be of Washington, there I will give the travelling over from this Camp to our destination which will be interesting to you all

I saw an Account this Morning in
the Paper that Capt Pierce of the
13th Reg is Wounded. if it is Mr
Pierce of Wymouth. — I am sorry
of it.

Now my dear Lady I will close
for I am busy with my Knapsack
so good bye, dont forget me
for I never shall forget anyone
of you.

Give my very best respects to
Mrs Weston. Mr Dr. Miss
Eme. Miss Anne, to all
who like to hear from

your true

Augustus Smith
